Support Your Local High School with your Contributions.

Dear Parents/Guardians and
Community Members,

You can contribute up to \$400 per year to the school of your choice and receive a full tax credit on your Arizona State Income Tax. You can reduce your Arizona State Tax bill by contributing to this very special school fund before December 31, 2010.

Arizona has authorized a dollar for dollar tax credit, up to \$400, for taxpayers who contribute to an Arizona public school. One credit of \$200 is allowed for each single taxpayer or for married couples filing separately, or \$400 for married couples filing jointly. Credits may be used only

to the extent that they reduce state tax liability to zero. However, if you have extra credit remaining, you can carry it forward for up to five years. **You**

don't have to have a child in school to apply for the credit. Parents can also qualify for this credit if they pay fees for their own child to participate in an extra curricular activity at school.

Our school will use your donations to fund extra-curricular activities including Student Council events, athletic programs and other student related activities. Our athletes compete against other small schools in the

Northern Arizona Athletic Association. You may designate a specific activity for which you would like your donation to be used.

To participate, just fill out the form to the right and send this brochure, along with your check, to the address listed below, or drop it off at the school office. A receipt will be issued for you to submit with your AZ taxes. Students will benefit from your contribution. For more information please contact the school at 561-9213.

We hope you will help our students by supporting our school with your donation.

Thank you,
Kathy McCabe
Principal

Please fill out the following information and return this form to the school with your contribution.
